the opinion of the Highway Commission, in order to make air maps of highways of Texas, or proposed highways.

Provided that no State Highway Funds shall be used or expended in the payment of full or partial salaries, or to participate in the supplementing of any salaries for any kind of work done for, by or under the supervision or direction of the State Highway Department, other than those amounts specifically provided in the above appropriations, where the total to be paid such additional respective employee from Federal, State, County, or other funds, exceeds the respective amount below listed, to-wit: File clerks at not exceeding \$1,050.00 each per year; book-keepers at not exceeding \$1,800.00 each per year; registration, warrant, voucher, comptometer or tabulating clerks, typists, stenographers or those performing secretarial duties at not exceeding \$1,575.00 each per year; resident engineers and division engineers at an average salary of not to exceed \$3,672.00 each per year, none to exceed \$4,896.00 per year; assistant division engineers, at not exceeding \$3,060.00 per year; any other additional positions not herein specifically listed, having like duties to similar positions listed in the above itemized appropriations, at not exceeding the amounts specifically appropriated therein for such similar positions.

GENERAL PROVISIONS

SECTION 2. ANNUAL REPORTS. (a) A report shall be made annually by each of said departments or agencies and filed before November the first after the close of the fiscal year, with the Comptroller, and a copy thereof filed with the State Board of Control, giving an itemized statement of all moneys paid out and showing what particular appropriation or fund said moneys

was taken from; including an itemized statement of all purchases or contracts which have been made and remain unpaid at the close of the fiscal year, together with a statement showing the full amount of money taken in from all sources during the year. Said report shall show what disposition was made of such fund or funds, and if any surplus remains on hand at the end of any fiscal year, it shall be stated in said report. Said report also shall list the amount expended from regular appropriations or any other funds, for traveling expenses, including the hire of automobiles privately owned, together with the rate of payment for the use of such privately owned automobiles; the amounts expended for the purchase of automobiles and all expenses for gasoline, oil, repairs, parts and supplies for all automobiles owned by such departments or agencies; and the total amount expended by such department or agency for all traveling expenses.

(b) The head of each department shall keep a record of the absences of the various employees, the reason therefor, whether from sickness, vacation or on leave of absence, and incorporate this information in the department's annual report.

PRINTING AND STATIONERY. (a) All printing and stationery shall be purchased through the Board of Control and shall be confined to such articles and qualities as selected and contracted for by the Board, except certain printing provided by law to be done by several of the State agencies. No part of the herein appropriated amounts shall be used for the purchase of embossed or engraved printing and stationery except for the Governor's office.

(b) Any contingent funds herein appropriated, and any funds appropriated for printing, may be used under the direction of any Department for which any such appropriation is made for the publication and distribution of any notices, pamphlets, booklets, rules, regulations and other matters of public interest; provided that a charge may be made and collected for such publications and notices which will reasonably reimburse such funds for such actual expense.

POSTAGE STAMPS. None of the money appropriated herein for postage stamps shall be spent except on vouchers made payable to a United States Post Office and the warrant or check shall be endorsed by the postmaster from whom the purchase is made.

OFFICE HOURS OF STATE DEPARTMENTS. Excepting herefrom Sundays and State legal holidays, office hours of State Departments shall be from 8 o'clock a. m. to 5 o'clock p. m., with one hour off at noon; provided, however, that all Departments shall be allowed to close at 4 o'clock p. m. on Saturdays; and provided further, that the head of any department shall be authorized to excuse a part of the employees of such department at noon on Saturdays, and that such Saturday afternoons shall not be construed to be a part of the twelve days' vacation provided for below.

VACATION ALLOWANCE. Department employees shall, without deduction in salary, be entitled to receive not exceeding twelve days' vacation, exclusive of Sundays and legal holidays, on which State offices are closed, for each State fiscal year, such vacation period to be mutually agreed upon by the head of each department with his employees; provided, that employees belonging to the Texas National Guard may have their vacation at the time of the meeting of the annual encampment. Provided that no employee for whom a salary is herein appropriated, shall receive compensation while on vacation unless he or she has been an employee of the particular department for not less than six calendar months preceding the vacation period.

Porters. It is specifically provided that all appropriations for porters as provided in this Act are made with the distinct understanding and it is the will of the Legislature that the said porters are to be under the direct supervision of the State Board of Control, irrespective of the fact that the items covering appropriations for the several porters in this Act may be carried as items under the appropriations of the various departments. It is the further will and intention of the Legislature that the several items for janitorial supplies, irrespective of name, shall be judiciously used under the direct supervision of the Board of Control to the end that all State property covered in this Act shall be adequately and properly preserved and cared for, and that all fire hazards shall be reduced and kept to the lowest possible minimum at all times. To that end the State Board of Control is hereby specifically and directly authorized and directed to notify in writing the heads of the respective departments of any dereliction of duty, either of omission or commission, on the part of any porter as provided in this Act, and said departmental heads shall have said porter comply with the orders concerning the improvement of sanitary conditions and the removal of fire hazards; and if said porter fails or refuses to act in compliance with the orders of the Board of Control concerning said matters within three days after notification, the State Board of Control is hereby authorized and directed to file a written notice with the State Comptroller that said porter has failed or refused to comply with the orders of the Board of Control, and the State Comptroller thereupon shall not issue a warrant for the salary of said porter for any services rendered after the date of presentation of the Board of Control's notice to the State Comptroller. The heads of said departments thereupon shall immediately select another person of their own choice to fill the position of the porter thus removed from the payroll, and if the other or any successive porter shall fail to comply with the orders of the Board of Control, the State Comptroller shall also refuse to pay him further compensation in like manner.

No porter dropped from the departmental payrolls as provided herein shall be eligible to be re-employed in a similar capacity for any State department or State Court for a period of at least six months.

UNITED STATES AID FOR BUILDINGS, REPAIRS AND IMPROVEMENTS. The proper state officer or officers, within their discretion, may accept any funds donated by the Federal Government for the purpose of building, improving, repairing or renovating any buildings, lands or improvements, including any funds which might be donated by the Federal Government for the purpose of supplementing any state appropriations and funds available for such purposes.

POLITICAL AID AND LEGISLATIVE INFLUENCE PROHIBITED. (a) No department included in this Act shall use any of the means or funds appropriated to such department, either directly or indirectly, for the purpose of telephoning, telegraphing or sending out literature, propaganda, letters or bulletins, or any other matter, printed or written, that will influence, or tend to influence, in any way, the election of any candidate for office or the passage or defeat of any law or appropriation affecting any department included in this bill; and provided, further, that no stenographer or other employee whose salary is paid from State funds may be used or employed in any manner in the preparation or mailing out, or in any way handling, such literature, propaganda, letters, or bulletins, or any other matter, printed or written, that will influence, or tend to influence, in any way the election of any candidate for office or the passage or defeat of any law or appropriation affecting any department included in this Act, and no such work shall be done or performed in any of the offices or rooms of the Capitol or any other State building.

(b) It is hereby declared unlawful for any person employed in any capacity in any of the departments for which an appropriation is made under the terms of this Act to engage in or take part in any political campaign in relation to matters directly affecting the particular department in which the particular employee is employed, and/or concerning the election or re-election of any candidate for the head of the particular department by which such employee is employed; by "engaging in a political campaign" or "taking part in a political campaign" is meant and shall include distributing circulars, hand bills, posting pictures, handing out cards, making speeches, thereby soliciting or opposing the election of any candidate for office as the head of such department whereby the offending employee is employed.

It is further declared unlawful for any employee of the State to go outside of the county of the residence of such employee and in any manner campaign for or against the election and/or re-election of any candidate for public office other than such department head of the department in which such employee is employed.

Any such employee, engaging in such inhibited and unlawful conduct, shall be subject to removal from his position and restraint from reemployment in such department for a period of one year by a judgment in the district court of the county wherein such unlawful activity occurred. Any ten (10) or more

qualified voters, residents of such county, shall have the authority to institute a suit in a district court of such county, praying for the removal of such employee from such department, citing such employee and the head of the department, and upon final hearing, the allegations of the petition being sustained, the judgment shall be to discharge the employee and restraining the head of the department from reemploying such employee for a period of one year from the date of the judgment.

It is hereby further declared unlawful for any person authorized to use a State-owned automobile, in connection with any business of the State, to use such automobile in connection with any campaign in which such department is directly interested, or in behalf of the campaign for re-election of the head of any department, and/or in any other manner, time or place than when such automobile is being used in the interest of and for the purpose of carrying out departmental State business. Any person violating this section shall, upon final conviction, be subject to a fine of not less than Fifty Dollars (\$50.00) nor more than Two Hundred Dollars (\$200.00). In the event such use of such automobile is being made with the knowledge of the head of any department, having charge of such automobile, then such department head shall also be liable to punishment in a fine of Two Hundred Dollars (\$200.00). Any court of competent jurisdiction in the county where this law is violated shall have jurisdiction to try such cause.

It is hereby made the duty of every department head to furnish every employee of his department a copy of the law set out in the preceding three paragraphs, and to take the receipt of such employee therefor. These receipts shall at all times be kept accessible for public inspection and failure of any department head to comply with this mandate, shall constitute malfeasance in office, and upon judgment so adjudicating, such department head shall be removed from office.

TRAVELING EXPENSES. (a) No traveling expenses shall be claimed, allowed or paid unless incurred while traveling on official business of the State. Any State official or employee entitled to traveling expenses out of State appropriations herein made, who is legally or officially required to be present at the trial of any State case, shall not claim traveling expenses from the State and also from the court wherein said case is pending. If by oversight, duplicate claims are filed for said traveling expenses and collected, then said officers or employees shall reimburse and refund to the State Treasurer an amount equal to the respective amount collected under such witness fee and mileage claim.

(b) The State Comptroller shall not pay, and no State officer or employee of any of the departments or other agencies of the Government shall include in his traveling expense account any amounts for meals and/or lodgings incurred within the city or town where officer or such employee is stationed. Such employees as are stationed away from their main office or head-

quarters, who are not allowed traveling expenses where so stationed, shall be allowed such expenses when called to their main office.

(c) No traveling expenses shall be incurred by any State employee of any of the departments, or other agencies of the Government, outside of the boundaries of the State of Texas, except for State business directly concerning his own department or agency and no such expenses shall be paid from State appropriations or out of any local or auxiliary funds by the State Comptroller and/or other disbursing officer or employee of any agency of the Government, until and unless a written statement, signed by the Attorney General, advising that the purpose of the proposed trip, in his opinion, is for said State business purposes; which written opinion shall have been filed in advance with the State Comptroller, and signed duplicate thereof filed with the disbursing officer of such respective agency of the Government. This provision shall not apply to trips to Washington, D. C., made by the Attorney General's Department, whose business before the United States Supreme Court and certain Federal Commissions is mandatory, nor to the Adjutant General when appearing in Washington, D. C. before the War Department, nor to members or employees of the Railroad Commission attending hearings, conferences, or oral arguments held in other States or Washington, D. C., and involving rates and/or transportation matters; nor shall this provision apply to members of State Boards and/or Commissions, nor to the executive head of such State Boards and/or Commissions. There shall be but one other person designated by said Boards and/or Commissions as such executive head.

(d) It is the intention of the Legislature hereby not to require advance permission of legally authorized out-of-the State trips of peace officers in the extradition and return of fugitives from justice and escaped prisoners except as is already provided by law.

(e) All employees traveling at the expense of the State, are hereby limited to the following amounts for meals and lodging; for meals not exceeding \$1.80 per day, for lodging not exceeding \$2.00 per night, for money actually expended only; it being specially provided that the employee shall obtain receipts for all amounts expended for all items costing in excess of fifty cents each, and shall file said receipts with their expense accounts, which expense accounts must be duly itemized and sworn to; and the State Comptroller is hereby expressly prohibited from paying any expense accounts which are not itemized and sworn to and accompanied by receipts as herein provided. It shall be the duty of the Board of Control of this State to furnish to all employees of the State covered in this bill necessary form for the printing of such receipts; nor shall this provision apply to members of State Boards and/or Commissions, nor to the executive head of such State Boards and/or Commissions. There shall

be but one other person designated by said Boards and/or Commissions as such executive head.

(f) The following rules shall be observed by all State employees in rendering their expense accounts before any expense account shall be paid from appropriations herein made for "traveling expenses":

(1) There must be a concise statement of the duties performed, and the points from which the employee travels from the designated post of duty and all other towns visited and the object of such visit and of the specific expenses incurred.

(2) The name of hotel, restaurant, boarding or rooming house at which meals and lodging are procured shall be given in every case where a receipt is required under this Act.

(3) Fees, as tips to waiters on dining cars, or at hotels or restaurants, shall not be paid out of State funds.

(g) It is expressly provided that the provisions of this Act, with reference to traveling expenses, shall not apply to the Governor and Lieutenant Governor of this State; nor shall these provisions apply to members of State Boards and/or Commissions, nor to the executive head of such State Boards and/or Commissions. There shall be but one other person designated by said Boards and/or Commissions as such executive head.

(h) None of the moneys appropriated herein shall be spent for the washing and/or polishing of the same automobile more than one time per calendar month.

(i) No moneys herein appropriated shall be spent for the purchase of a passenger car in excess of \$750.00, including the trade in value of a used car, and this limited price shall cover a car equipped with bumpers and extra rim or wheel but not an extra casing and tube.

PART-TIME EMPLOYEES. The head of any department of the State Government, or any Board or Commission of the State Government, may use part-time employees to fill any position provided for in this Act at a salary not to exceed more than one-half the amount appropriated for such position for full-time work.

SALARY AND OTHER PROVISIONS: (a) All annual salaries shall be paid in twelve equal monthly installments, unless otherwise provided herein.

(b) The appropriations herein provided are to be construed as the maximum sums to be appropriated to and for the several purposes named herein, and the amounts are intended to cover and shall cover the entire cost of the respective items and the same shall not be supplemented from any other source; and no expenditures shall be made, nor shall any obligations be incurred, which, added to the actual expenditures, will exceed the amounts herein appropriated for any of the purposes named. Provided that the appropriations made herein for maintenance and miscellaneous items for the Departments of the State Government and State parks may be used as a contingent fund for mainte-

nance and miscellaneous items, except, however, that this provision shall not apply to any item where its expenditure is specially governed by the Statutes, and that no salaries or wages shall be paid out of any amounts transferred from other items to a contingent expense item. No salary for which an appropriation is made herein shall be paid to any person unless such person actually discharges assigned duties.

ADDITIONAL EMPLOYEES' COMPENSATION. When any additional employees, other than those for which specific salary appropriations have herein been made, are employed and are to be paid out of contingent appropriations or other funds, such employees shall not be paid a larger amount than that provided in the regular appropriated salaries for similar positions in such department or agency, and in the event there are no similar positions within such department, then such additional employee shall not be paid a larger amount than that provided for similar positions in other departments or agencies. In the event laborers, skilled laborers and mechanics cannot be obtained at the above mentioned salary scale, then the head of such department may pay for temporary employment only not exceeding the prevailing wage scale paid in the locality where the temporary service is to be rendered.

AUDITS. None of the appropriations herein made shall be used for the purpose of employing any firm, corporation or person, excepting persons regularly and continuously employed by the state departments, to audit the expenditures or records of any department, board, bureau, or institution; provided, however, that if, in the judgment of the officer, officers or departments charged by law with disbursing the appropriations herein made, an audit is necessary, application for such audit shall be made to the State Auditor requesting that such audit be made; and in the event the State Auditor shall not, in his judgment, have available sufficient funds to make the necessary audit, then the officer, officers or departments having charge of disbursing said appropriations are authorized to direct the Comptroller to transfer in lump sum and add to the appropriation for the State Auditor's office herein made the amount which in the judgment of said officer, officers or departments shall be necessary for the purpose of making said audit, and said audits shall be made from the amounts so transferred.

TRANSFER OF EMPLOYEES. It shall be the duty of the head of any Department to transfer an employee of his office to any desk or place within the department when necessary to perform the duties of the department and for the proper dispatch of business.

EMPLOYMENT OF ALIENS LIMITED. No money shall be paid out of any appropriation made herein for personal services for a longer period than ninety (90) days to any person who is not a citizen of the United States unless the person has begun naturalization proceedings.

RELIEF FUNDS. For the purpose of administering relief out of either Federal or State funds after December 31, 1935, there is hereby appropriated for the remaining part of the two year period beginning September 1, 1935, and ending August 31, 1937, to the State Board of Control out of any relief bond moneys of any series remaining on hand on December 31, 1935, such amounts as may be necessary for the authorized relief, salaries, bonds and other administrative expenses as provided in S. B. No. 90, Acts of the Regular Session of the Forty-fourth Legislature.

The funds so appropriated herein shall be disbursed by warrants drawn by the Comptroller of Public Accounts on the Relief Bonds Fund upon invoices approved by the State Board of Control. The State Treasurer is directed not to transfer any sums of money (which have been derived from the sale of any of the relief bonds) from any of the relief bond accounts and/or special accounts to the "Texas Relief Bond Sinking Fund" until notified in writing by the State Board of Control that relief under said accounts and/or special accounts has been terminated. The administration of Federal Relief in Texas by the State Board of Control if requested by the proper agency of the Federal Government shall be considered an additional duty of the Board and the members of the Board are authorized to accept additional salary from the Federal Government out of Federal funds for performing such additional duties.

EMPLOYMENT OF RELATIVES RESTRICTED. The following provisions restricting employment of relatives shall not, during the biennium for which appropriations are herein made, constitute grounds for the discharge of any persons receiving salaries or wages from the State at any time during the month of February, 1935, or prohibit their reemployment by the same or some other branch or agency of the State Government. None of the foregoing appropriations for salaries shall be paid or warrants therefor issued by the State Comptroller to any employee until the employee shall have filed with the head and/or disbursing officer of such respective Department an affidavit showing his or her marital status, and if married, whether or not the spouse and/or any single (unmarried) children of such employee are also employed by the State Government, and the name of the Department where such spouse or child is employed, together with the name of such spouse or child; the head or disbursing officer of such Department, in addition to the statutory affidavit now required to be attached to all pay rolls, shall also set forth in the pay roll affidavit that all of his employees have made the required affidavit and also set forth the facts of any said relationship employment as disclosed by said employees' affidavits, together with the name of the Department where such spouse or child is employed, and if such relationship employment does not exist, then said affidavit shall so state; and the head and/or disbursing officer of the Department and the State Comptroller shall not approve for payment or issue warrants or checks

for salaries to or for more than one of any of the above mentioned members of the same family which may hereafter be employed by any department of the State Government. Affidavits of present employees shall be made by them and filed with the heads of Departments within ten days before the first day of each fiscal year, and persons thereafter employed shall file such affidavits before they begin work; all of said affidavits shall be preserved by the heads of Departments for which appropriations are herein made for proper inspection for at least two years after their dates; said employees' affidavits shall be conclusive evidence of the departmental head's right to approve the pay rolls, and the pay roll affidavit of the head of the Department or disbursing officer shall be conclusive evidence to the State Comptroller of his right to issue the warrants. None of these provisions shall apply to employees whose above mentioned relatives may be on the State pay roll as district judges, district attorneys, highway maintenance laborers, employees on any State contracts where bids were received, vocational and other teachers in the public free schools, or to relatives of State Departmental employees who are employed by the State departments or eleemosynary or educational institutions at salaries of less than forty-five dollars per month. In the event the Comptroller shall hold up issuance or delivery of any warrant by reason of these provisions he shall notify the agency or agencies affected of his action and such warrants shall not be issued or delivered until the provisions have been complied with to the satisfaction of the State Comptroller; and in the event the head or heads of said Departments so employing said relatives, or said relatives themselves, cannot agree on which affected employee is to be retained in the State's employ, then the State Comptroller shall issue and deliver the warrant to the affected employee who has been longer continuously employed in the State's service and refuse to issue and deliver the warrant to the other affected employee who has been continuously employed in the State's service for a shorter period of time than the other affected relative.

SECTION 3. If any section, subsection or provision of this Act is for any reason held to be unconstitutional or invalid, such holding shall not affect the constitutionality or validity of any other provision or part of the Act.

SECTION 4. The fact that this is one of the general appropriation bills to provide for the support, maintenance and operation of important departments and agencies of the State and the crowded condition of the calendars of the two Houses of the Legislature, create an emergency and an imperative public necessity calling for the suspension of the Constitutional rule requiring bills to be read on three several days and for the taking effect of the Act immediately upon its passage, and said rule is hereby suspended and it is enacted that this bill take effect immediately upon its passage.
